Château de Malleret

Red - 2023

The fuzzy texture of tannins exudes a warmth, while the delicate aromas of blueberries and mulberries add a touch of maturity... The 2023 vintage of Château de Malleret easily evokes empathy, despite its slightly prominent tannic structure, its composed and gentle character still deeply moves me. Considering the relatively restrained aroma expression at present, it's recommended to decant for about 1 hour and a half before tasting it in its youth.

毛茸茸的单宁质感，泛着阵阵暖意；精致的蓝莓和桑果芬芳，增添了几分成熟的气息... 2023年份的Château de Malleret 很容易让人与之共情，虽然单宁结构略显突出，但其沉着而温和的性情还是很打动我。考虑到当前的香气表达相对含蓄，如果在年轻时饮用需醒酒1.5小时。

Château de Malleret's 2023 white is a refreshing and crystalline expression of fruitiness that hints at a meticulous approach to its aromatic profile. The gentle fragrance of acacia blossoms caresses notes of white peach, orange, and crystal grape, offering a pristine and invigorating experience with a delicate touch of sweetness. Rarely does a white wine from Médoc, like Château de Malleret, transform a 100% Sauvignon Blanc into a nectar reminiscent of iced "Tangshui" while also delicately adding a hint of salinity on the finish, delivering an irresistibly satisfying sensation.

Château de Malleret 2023 干白是一款清透爽朗的白葡萄酒，它对果香的表达方式让我看到了“强迫症”的身影。槐花的清香抚慰着白桃、橘子和水晶葡萄的芬芳，纯净清新还带着些许特别的甜感。很少有梅多克的白葡萄酒能够像 Château de Malleret 这样，不但让一款100% Sauvignon 变成冰糖水，居然还能在收尾时平添一抹咸感，简直不要太爽。
